

## Origin of "Who I Am In Christ" Booklet And Ideas of How To Use It

We all have stories to tell of God's leading, and here's part of mine. When God gloriously saved me about 25 yrs ago, an elderly Christian lady, Lillian Dixon, gave me a list of verses she'd written out and personalized in her shaky handwriting and said, "Honey, you're going to need to know your new identity in Christ." I gratefully took it and it helped me tremendously. Later, the Lord impressed upon me that it was to be made into a pocket-sized red booklet (the red cover would symbolize the Blood of Jesus), and that HE would make it easy to be translated and HE would send it around the world. Through the years, He has faithfully done as He said. So far, the booklet has been translated into Spanish, French, Creole Russian, and Swahili. He has anointed me to stick with this as well. It is a quiet ministry my husband and I do together. We just keep the booklets in our basement. If anyone would like to translate it into other languages, feel free. I can easily furnish the template, just email me at [kibby7@comcast.net](mailto:kibby7@comcast.net) and please send me a copy when you finish for my files. \*\* We also have an easy-to-print 4 page computer format of the booklet that can be sent as an attachment. I will have Spanish computer format ready soon.

OneHope has been instrumental over the years in helping us accomplish this, and we are forever grateful. We have received requests and mailed these booklets out to hundreds of thousands of people of various denominations who want to share them with friends, churches, jail and prison chaplains, para-ministries, teen groups, and conferences, etc. over the years. We ask that people who request more than one booklet send us 50 cents per booklet to help us cover the cost of printing and shipping from the Florida printer. Our heart is that the final recipients receive it free.

This booklet can be used in various ways. First, please get familiar with it yourself first. Here are a few suggestions. They can be used with believers and non-believers; as there is a prayer of salvation in the Preface.

- When Bob Hoskins and I were both believing for our healings from cancer almost 15 years ago; God used it as medicine and we both took it regularly and got filled up with God's thoughts about us.
- Pastors preach on the subject of "Who I Am In Christ" and give one to each family or individual in their congregations. One pastor taught on "Identity Theft" and how the devil tries to steal the believer's identity in Christ by lies and accusation.

- Many people use this booklet to build themselves up; just keeping it in their car, their purse, their pocket, their Bible
- Parents use it for night time devotions with their young children.
- Christians slip one in their Christmas cards to friends and relatives.
- Christian teens use it for deepening their understanding of their true identity; which is different than the voices of the world scream at them.
- Prison/jail chaplains use it in counseling and also some give to the general population as Christmas gifts or whenever.
- Friends pass it out to friends.
- Given out to new believers at a large Church in Argentina and at our own church in Michigan, probably other churches as well.
- Given to all the teens in church groups.
- Used in counseling sessions.
- Used at Teen Challenge
- Used at Alcoholic Anonymous meetings
- Bible School teachers will take one verse in the red booklet a week to focus on with children and get a new lesson for each verse by expanding on it.
- Men take it with them for a quiet walk in the woods to focus on God.
- And the list goes on..... Please share your ideas by emailing me at [Kibby7@comcast.net](mailto:Kibby7@comcast.net)
